Disclosures

1. The price for any given health care service is an estimate and the actual charges are dependent on the circumstances at the time the service is rendered.
2. If you are covered by health insurance, you are strongly encouraged to consult with your health insurer to determine accurate information about your financial responsibility for a particular health care service provided by a health care provider at this office. If you are not covered by health insurance, you are strongly encouraged to contact our office at 303-721-0220 to discuss payment options prior to receiving health care services from a health care provider at this office, since posted health care prices may not reflect the actual amount of your financial responsibility.
